The Board of Managers may not delegate to the manager or management company any of the duties set forth in subparagraphs (e), (g), (h), (i) and (j) of Section 2 of this Article II.

Section 4. Election and Term of Office. In the event a new Board of Managers is elected following the sale by Owner of units representing 80% or more in condominium unit interest, as provided in Article III, Section 1 herein, and prior to the first annual meeting, the nine (9) members so elected shall serve until the next annual meeting or until their successors have been elected and qualified at said annual meeting. At the first annual meeting of the condominium unit owners, nine (9) members of a new Board of Managers shall be elected and the term of office of three members of the Board of Managers shall be fixed at three (3) years, the term of office of three such members at two (2) years, and the term of office of three such members shall be fixed at one (1) year. At the expiration of the initial term of office of each respective member of the Board of Managers, his successor shall be elected to serve for a term of three (3) years. The members of the Board of Managers, unless a member's term is earlier vacated, shall hold office until their respective successors shall have been elected by the
condominium unit owners.

Section 5. Removal of Members of the Board of Directors. At any regular or special meeting of condominium unit owners, any one or more of the members of the Board of Managers may be removed with or without cause by a majority of the condominium unit owners present in person or by proxy, provided a quorum of unit owners are present in person or by proxy, as stated in Sections 7, 8 and 9 of Article III hereof, and a successor may then or thereafter be elected by the condominium unit owners to fill the vacancy thus created. Any member of the Board of Managers whose removal has been proposed by the condominium unit owners shall be given an opportunity to be heard at the meeting.

Section 6. Vacancies. Vacancies in the Board of Managers caused by any reason other than the removal of a member thereof by a vote of the condominium unit owners, shall be filled by a vote of a majority of the members of the Board of Managers at a special meeting of the Board of Managers held for that purpose promptly after the occurrence of any such vacancy, even though the members present at such meeting may constitute less than a quorum, and each person so elected shall be a member of the Board of Managers until the next annual meeting of the condominium unit owners, at which time the condominium unit owners shall elect a member of the Board of Managers to serve for the remaining part of the unexpired term, if any, of the
member whose absence created the vacancy, or if no unexpired term remains, to serve for a three year term.

**Section 7. Organization Meeting.** The first meeting of the members of the Board of Managers following the first annual meeting of the condominium unit owners shall be held within ten (10) days after said first annual meeting, at such time and place as shall be fixed by the condominium unit owners at the meeting at which such Board of Managers shall have been elected, and no notice shall be necessary to the newly elected members of the Board of Managers in order legally to constitute such meeting.

**Section 8. Regular Meetings.** Regular meetings of the Board of Managers may be held at such time and place as shall be determined from time to time by a majority of the members of the Board of Managers, but at least two such meetings shall be held during each calendar year. Notice of regular meetings of the Board of Managers shall be given by the President or Secretary to each member of the Board of Managers, in person or by mail, telephone or telegraph, at least five (5) business days prior to the day named for such meeting.

**Section 9. Special Meetings.** Special meetings of the Board of Managers may be called by the President on three (3) business days notice to each member of the Board of Managers, given in person or by mail, telephone or telegraph, which notice
shall inform as to the time, place and purpose of the meeting. Special meetings of the Board of Managers shall be called by the President or Secretary in like manner and on like notice on the written request of at least five (5) members of the Board of Managers, given as above described, to the President or Secretary.

Section 10. Waiver of Notice. Any member of the Board of Managers may, at any time, waive notice of any meeting of the Board of Managers in writing, and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a member of the Board of Managers at any meeting of the Board shall constitute a waiver of notice by him of the time and place thereof. If all the members of the Board of Managers are present at any meeting of the Board, no notice shall be required and any business may be transacted at such meeting.

Section 11. Quorum of Board of Managers. Each member of the Board of Managers shall be entitled to one vote regardless of his condominium unit interest, in decisions or resolutions of the Board of Managers. At all meetings of the Board of Managers, a majority of the full Board of Managers shall constitute a quorum for the transaction of business, and the votes of a majority of the members of the Board of Managers present at a meeting at which a quorum is present shall constitute the decision of the Board of Managers. If at any meeting of the Board of Managers there shall be less than a quorum
present, a majority of those present may adjourn the meeting from time to time. At any such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

Section 12. Fidelity Bonds. The Board of Managers shall obtain reasonable and customary fidelity bonds for all officers and employees of the Association handling or responsible for funds of the Association. The premiums on such bonds shall constitute a common expense of the Association.

Section 13. Compensation. No member of the Board of Managers shall receive any compensation from the Association for acting as such unless such compensation is approved by a majority of condominium unit owners as described in Sections 7, 8 and 9 of Article III hereinafter.

Section 14. Liability of the Board of Managers. No member of the Board of Managers shall be liable to the condominium unit owners for any mistake of judgment, negligence, or otherwise, in connection with his service on the Board of Managers, except for his own individual willful misconduct or gross neglect. The condominium unit owners shall indemnify and hold harmless each member of the Board of Managers against all claims, damages, costs and expenses including reasonable attorneys' fees, in connection with his service on the Board of Managers (unless due to his willful misconduct or gross neglect), or
arising out of contracts made by the Board of Managers on behalf of the Association unless any such contract shall have been made contrary to or in violation of the provisions of the Declaration or of these Bylaws. As between condominium unit owners it is intended that the liability of any such unit owner arising out of any contract made by the Board of Managers or out of the aforesaid indemnity in favor of the members of the Board of Managers shall be limited to such proportion of the total liability thereunder as his condominium unit interest in the common areas and facilities bears to the total unit interests of all such unit owners in the common areas and facilities. Agreements made by the Board of Managers on behalf of the Association may provide that the members of the Board of Managers and its officers, as the case may be, are acting only as agents for the condominium unit owners and shall have no personal liability thereunder (except as condominium unit owners), and that each condominium unit owner's liability thereunder shall be limited to such proportion of the total liability thereunder as his condominium unit interest in the common areas and facilities bears to the aggregate condominium unit interest of all condominium unit owners in the common areas and facilities.

ARTICLE III

CONDOMINIUM UNIT OWNERS

Section 1. Association Responsibilities and Annual Meetings. The owners of the units will be members of Pinebrooke
Condominium Subdivision Association, a Kansas nonprofit corporation, and will have the responsibility, acting through its Board of Managers and the Association officers, subject to the terms and provisions of the Declaration and these Bylaws, of administering the affairs of the Association, establishing and collecting monthly and other assessments and as more particularly described in these Bylaws. The first annual meeting of the members of the Pinebrooke Condominium Subdivision Association shall be on August 15, 1980. If, prior to February 15, 1980, units representing 80% or more in condominium unit interest have been sold by Owner, then promptly after such sales have been completed, Owner shall notify all condominium unit owners in person or by mail, telephone or telegram thereof, and of the date, time and place of a special meeting of the members for the election of a new Board of Managers which shall be within thirty (30) days after such notice. At such special meeting the members shall elect a new Board of Managers, nine (9) in number, to serve for a term expiring August 15, 1980, or until their successors have been elected. The voting procedures at this special meeting shall be the same as are provided for with respect to the election of the Board of Managers by the members as otherwise provided herein. At the first annual meeting of the members on August 15, 1980, the members shall elect a new Board of Managers as provided in Article II, Section 4 hereof, and cumulative voting shall prevail. Accordingly, each member
shall have the number of votes to which he is entitled, as described in Section 6 of Article III hereof, multiplied by the number of members of the Board of Managers to be elected at such election, and may cast the whole number of such votes for one candidate or distribute them among two or more candidates. The number of votes cast by each member shall be based on his condominium unit interest in the common areas and facilities as described in Section 6 hereinafter. Thereafter, the annual meetings of the members shall be held on the 15th day of August of each succeeding year, unless such date shall occur on a Saturday, Sunday or legal holiday, in which event the meeting shall be held on the next following business day which shall not be a Saturday, Sunday or legal holiday. At such meetings the new members of the Board of Managers shall be elected by ballot of the members and in accordance with the provisions of Section 4 of Article II of these Bylaws and cumulative voting shall prevail as above described. The members may also transact any other business at annual meetings.

Section 2. Place of Meetings. Meetings of the members shall be held at the principal office of the Association in Pinebrooke Condominium Subdivision or at such other suitable place convenient to the members which may be designated by the Board of Managers.

Section 3. Special Meetings. It shall be the duty of the President to call a special meeting of the members if so
directed by resolution of the Board of Managers or upon a petition signed and presented to the Secretary by not less than 25% in condominium unit interest of all the condominium unit owners. The notice of any special meeting shall state the date, time and place of such meeting and the purposes thereof. No business shall be transacted at a special meeting except as stated in the notice.

Section 4. Notice of Meetings. It shall be the duty of the Secretary to deliver or mail a notice of each annual or special meeting of the members, at least ten (10) but not more than thirty (30) days prior to such meeting, stating the date, time and place where it is to be held, and in the case of a special meeting the purposes of the meeting to each member of record at the time the notices are mailed. The delivery or mailing of a notice of a meeting to an owner's unit in Pinebrooke or to such other address as such owner has requested in writing that notices be sent, or to such owner's last known address as carried in the Association's records, shall be considered service of notice.

Section 5. Adjournment of Meetings. If any meeting of members cannot be held because a quorum has not attended in person or by proxy, a majority in condominium unit interest of the condominium unit owners who are present at such meeting, either in person or by proxy, may adjourn the meeting to a time not less than forty-eight (48) hours nor more than thirty (30)
days from the time the meeting was originally called.

Section 6. Voting. The owner or owners of each unit, or some person designated by such owner or owners to act as proxy on his or their behalf and who need not be an owner, shall be entitled to cast the votes appurtenant to such unit (based on condominium unit interest in the common areas and facilities) at all meetings of members. If a unit is owned of record by one person, his right to vote shall be established by filing with the Secretary of the Association his certificate of record title to his unit. If a unit is owned of record by more than one person, or by a partnership, corporation or corporate fiduciary, the person entitled to cast the vote or votes for that unit shall be designated by a certificate (a) in the case of individual owners, or partnership owner, including those holding in a fiduciary capacity, signed by all of the record owners of the unit, a partner or fiduciary, respectively, and filed with the Secretary of the Association, or (b) in the case of corporate or corporate fiduciary owners, signed by the President or Vice President and attested by the Secretary of the Association. Such certificates shall be valid until revoked or until superseded by a subsequent certificate or until a change in ownership of the condominium unit owners. If such a certificate is not on file, the vote of such owner(s) shall not be considered in determining the attendance of a quorum nor shall such vote be considered for any other purpose. The designation
of any proxy shall be made in writing, signed by the person entitled to vote and shall be delivered to the Secretary prior to or at the meeting. A proxy shall be revocable at any time by written notice to the Secretary signed by the person entitled to vote. The total number of votes of all condominium unit owners shall be 1,000,000 and each person designated to vote for the respective unit on the date the notice of a meeting is delivered or mailed shall be entitled to cast one vote on any issue at all meetings of the condominium unit owners for each .0001 percent of interest in the common areas and facilities applicable to his, its or their unit as shown on Amended Declaration Exhibit C attached to said Declaration.

**Section 7. Majority of Condominium Unit Owners.** As used in these Bylaws, any reference to a majority of members of the Association shall mean condominium unit owners having more than 50% of the total votes of the condominium unit owners present in person or by proxy and voting at any meeting of the members of the Association, the number of votes determined in accordance with the provisions of Section 6 of this Article III.

**Section 8. Quorum.** Except as otherwise provided in these Bylaws, the presence in person or by proxy of condominium unit owners having at least fifty percent (50%) of the total authorized votes of all condominium unit owners shall constitute a quorum at all meetings of the members.
Section 9. Majority Vote. The vote of a majority of members at a meeting at which a quorum shall be present shall be binding on all condominium unit owners for all purposes except in those instances stated in the Declaration, these Bylaws, or by law, where a higher percentage vote of condominium unit interests is required.

ARTICLE IV

(v) Reserve Account - to which shall be credited all funds required by the Board of Managers for working capital of the Association, general operating reserves, reserves for replacement and maintenance, and funds required to make up deficits in the expenses for any prior year.

D. Budget and Assessments. The Board of Managers shall adopt a budget for each calendar year on or before the second Monday in December of the year preceding the year for which the budget is made, which budget shall contain estimates of the cost of performing the functions of the Association, taking into consideration overages and/or shortages from previous years, making provision therefor, and including, but not limited to, assessments for common expenses, alterations and improvements, reconstruction and repairs, reserves and emergencies, and simultaneously therewith the Board of Managers shall prepare the proposed assessments against each condominium unit owner, based on condominium unit interest, for the calendar year. The assessments against each condominium unit owner shall be due and payable in consecutive monthly payments in amounts as determined by the Board of Managers on the first day of each month, beginning with January of the year for which the assessments are made. A copy of each annual budget, together with the proposed assessments to be made against each condominium unit owner, shall be delivered to each such owner on or before the first day of the calendar year for which the budget and assessments are prepared. If an annual budget or proposed assessment is not made as required, a payment in the amount required by the last prior assessment shall be due from each condominium unit owner upon each assessment payment date until changed by a new assessment made by the Board of Managers. Within sixty (60) days following each calendar year the Board of Managers shall send to each condominium unit owner an annual report of assets and liabilities issued as of the last day of said calendar year as more particularly stated in Section 1 of Article IX hereof. Copies of the budget, the assessments and the annual report shall be furnished to any mortgagee or the condominium unit owners upon request.
E. Other Assessments. Other assessments shall be made by the Board of Managers in accordance with the provisions of the Declaration, Bylaws and as required by the lawful resolution of the Board of Managers.

F. Assessments for Emergencies. Assessments for common expenses resulting from emergencies which cannot be paid from an appropriate expense account may be made by the Board of Managers from time to time.

G. Assessments for Liens. All liens of any nature including taxes and special assessments levied by governmental authorities which are a lien upon all units or upon any portion of the common areas and facilities, shall be paid by the Association as a common expense and shall be assessed against the units in accordance with the condominium unit interest.

H. Assessments for Purchase or Lease. Assessments shall be made from time to time by the Board of Managers, based on condominium unit interest, to defray the cost involved in the acquisition or leasing by the Board of Managers on behalf of the condominium unit owners of any unit purchased or acquired or leased by the Board of Managers pursuant to the provisions of the Declaration, these Bylaws or K.S.A. §58-3101 et seq.

I. Assessment Roll. The assessments against all condominium unit owners shall be set forth upon a roll of the units which shall be available in the office of the Association for inspection at all reasonable times by condominium unit owners or their duly authorized representatives. Such roll shall indicate for each unit the name and address of the owner or owners, the assessments, and the amounts of all assessments paid and unpaid.

J. Liability for Assessments. The owner of a unit and his grantee shall be jointly and severally liable for all unpaid assessments due and payable at the time of a conveyance of the unit. Such liability may not be avoided by a waiver of the use or enjoyment of any common area or facility or by abandonment of the unit for which the assessments are made.
K. Lien for Assessment. The creation, existence and enforcement of a lien or liens against any condominium unit owner for failure to pay any assessment shall be governed by the provisions of K.S.A. §§58-3109 and 58-3123 and other applicable provisions of said Apartment Ownership Act, and by applicable provisions of the Declaration.

Section 2. Insurance. The Board of Managers shall be required to obtain and maintain, to the extent obtainable, flood insurance as required by the Federal Insurance Administration and fire and extended coverage insurance on the Property for the full insurable replacement cost of the common areas and facilities and the condominium units, including also all personal property, fixtures and equipment included in the common areas and facilities, but excluding the personal property, equipment and furnishings of the condominium unit owners. The insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Board of Managers, as trustee for each of the condominium unit owners in the condominium unit interests established in the Declaration. The policy of insurance may contain a loss payable clause containing the words "to the holder or holders of mortgages or deeds of trust or record, if any, as their interests may appear" without specifically naming the holder or holders in the clause, in which event the proceeds shall thereupon be payable jointly to the Board of Managers and the respective holder or holders of mortgages or deeds of trust of record, as trustees for each of the condominium unit interests established in the Declaration. The
trustees shall have full power to adjust all insurance losses by suit or otherwise and payment accepted by the trustees hereunder shall constitute a discharge to the insurer. Premiums for the insurance shall be common expenses. In addition, the Board of Managers shall obtain and maintain workmen's compensation insurance, machinery insurance and such other insurance as the Board of Managers may determine. Such policies shall provide that adjustment or loss shall be made by the Board of Managers and the premiums shall be common expense.

All policies of physical damage insurance shall contain waivers of subrogation as to any claims against the officers, Board of Managers, condominium unit owners, the Association and their employees, agents and guests, and waivers of any defense based on co-insurance or of invalidity arising from any acts of the insured, and shall provide that such policies may not be cancelled or substantially modified without at least thirty (30) days prior written notice to the Board of Managers and all mortgagees of units of which the insurer has notice. Duplicate originals of all policies of physical damage insurance and of all renewals thereof, or certificates of such insurance policies, together with proof of payment of premiums, shall be delivered to all such mortgagees of units requesting the same. Prior to obtaining any policy of fire and extended coverage insurance and annually thereafter, the Board of Managers shall obtain an appraisal of valuation from the fire and
casualty insurance company as to the full replacement value of the buildings, including all of the units and all of the common areas and facilities therein, without deduction for depreciation, for the purpose of determining the amount of insurance to be effected pursuant to this Section. Should a unit contain unusual or special improvements, such as, but not limited to wood panelling, decorative art work on the walls, or other special improvements to the unit, the Board of Managers may separately assess such condominium unit owner for any additional insurance premium resulting therefrom.

The Board of Managers shall also be required to obtain and maintain, to the extent obtainable, public liability insurance in such limits as the Board of Managers may from time to time determine, covering the officers, the Board of Managers, the managing agent, the manager, and all condominium unit owners, collectively and individually. Such public liability coverage shall also contain cross liability endorsements to cover liabilities of the condominium unit owners as a group to a condominium unit owner. The Board of Managers shall review such limits once a year. The Board of Managers shall also carry Workmen's Compensation Insurance as required by law. Until the first meeting of the Board of Managers following the first annual meeting of the condominium unit owners, such public liability insurance shall be in a combined single limit of at least $1,000,000 covering all claims for personal injury or property damage arising out of any one occurrence.
Condominium unit owners shall not be prohibited from carrying other insurance for their own benefit provided that all such policies shall contain waivers of subrogation for the benefit of the Board of Managers, the officers and other condominium unit owners, and further provided that the liability of the carriers issuing insurance obtained by the Board of Managers shall not be affected or diminished by reason of any such additional insurance carried by any condominium unit owner.

Each condominium unit owner shall be deemed to appoint the Board of Managers as his true and lawful attorney-in-fact to act in connection with all matters concerning the insurance policies herein described, except as to policies carried separately by the respective condominium unit owners, including full power and authority to purchase and maintain such insurance, to collect and remit the premiums therefor, to collect proceeds and to distribute the same to the Association, the condominium unit owners and their respective mortgagees (subject to the provisions of these Bylaws, the Declaration and the Act) as their interests may appear, to execute releases of liability and to execute all documents and to do all things on behalf of such condominium unit owners and the Association as shall be necessary or convenient to the accomplishment of the foregoing, and any insurer may deal exclusively with the Board of Managers in regard to such matters. The Board of Managers shall not be responsible for procurement or maintenance of any insurance.
covering the equipment, fixtures, furnishings or personal property in any unit.

Section 3. Repair or Reconstruction After Fire or Other Casualty. In the event of damage to or destruction of the Property as a result of fire or other casualty, if the proceeds of any policy or policies of insurance insuring against such loss or damage, and payable by reason thereof, shall be substantially sufficient in the opinion of the Board of Managers to pay the cost of repair or restoration, estimated as hereinafter provided, then, unless all condominium unit owners unanimously agree to the contrary (as provided in paragraph 12 of the Declaration), the Board of Managers shall arrange for the prompt repair and restoration of the buildings (including any damage units, but not including any equipment, fixtures, furnishings or personal property of the condominium unit owners as described in the following paragraph), and the Board of Managers shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. Any actual cost of such repair and restoration to the common areas and facilities in excess of the insurance proceeds shall constitute a common expense and the Board of Managers may assess all the condominium unit owners for such deficit as part of the common expenses based on condominium unit interest.

Each condominium unit owner shall be responsible for the reconstruction, repair or replacement of the interior of his
unit, to the extent not covered by the insurance carried by the Board of Managers and specifically with respect to the floor coverings, window shades, draperies, furniture, furnishings, decorative light fixtures, and all appliances located therein irrespective of whether or not such appliances are "built-in" to the unit.

In the event the Property damaged or destroyed is not insured against the peril causing the loss or damage, or the insurance proceeds are not sufficient to pay the estimated cost of repair, restoration or reconstruction, and the condominium unit owners and all other parties in interest do not voluntarily make provision for reconstruction of the Property within one hundred twenty (120) days after said damage or destruction, then the provisions of K.S.A. §58-3126 in such event shall apply.

As soon as possible after the occurrence of a casualty which causes damage to any part of the Property for which the Association has insurance coverage and the provisions of K.S.A. §58-3126 are not invoked (hereinafter referred to as the "Casualty"), the Board of Managers shall obtain reliable and detailed cost estimates of the following:

(a) The cost of restoring all damage caused by the Casualty to the common areas and facilities (hereinafter referred to as the "Common Areas and Facilities Costs"); and

(b) The cost or restoring that part of the damage caused by the Casualty to each unit which is
or would be covered by insurance held by the Association without regard to the policy limits of such insurance (hereinafter referred to as the "Unit Costs").

If repair or restoration is to be made pursuant to this section, all insurance proceeds available to the Association with respect to the Casualty shall first be applied to the payment of the actual Common Areas and Facilities Costs and the balance thereof, if any, shall thereafter be applied to the payment of the actual Unit Costs. However, if such insurance proceeds are not sufficient to cover the actual costs, then an assessment shall be made against the condominium unit owners by the Association in the following manner:

(i) All condominium unit owners shall be assessed on the basis of their condominium unit interest in the common areas and facilities for the payment of the estimated Common Areas and Facilities Costs not otherwise paid for by insurance held by the Association.

(ii) Each condominium owner of a damaged unit shall be assessed an amount equal to his actual Unit Costs less a sum calculated by multiplying the amount, if any, of the remaining insurance proceeds held by the Association with respect to the casualty by a fraction, the numerator of which is his estimated Unit Costs and the denominator of which is the total of all of the estimated Unit Costs.

Section 4. Payment of Common Charges. All condominium unit owners shall be obligated to pay the common expenses and assessments assessed by the Board of Managers pursuant to the provisions of this Article V, herein sometimes referred to as "common charges", at such time or times as provided herein or as the Board of Managers shall otherwise determine.
A condominium unit owner in default in the payment of common charges for a period of thirty (30) days after the same are due shall not be entitled to vote at any meeting of the condominium unit owners so long as such default continues, except with respect to matters referred to in K.S.A. §§58-3116 and 58-3126 and any other matters requiring the unanimous consent of all condominium unit owners. The Board of Managers may discontinue the furnishing of utilities or other services to a condominium unit owner in default after giving ten (10) days written notice to such owner of its intention to do so.

No condominium unit owner shall be liable for the payment of any part of the common charges against his unit assessed subsequent to a sale, transfer or other conveyance by him of such unit. In addition, any condominium unit owner may, subject to the terms and conditions specified in these Bylaws, provided that his unit is free and clear of liens and encumbrances other than a bona fide first mortgage and a lien for unpaid common charges, convey his unit to the Board of Managers, or its designee, corporate or otherwise, on behalf of all other condominium unit owners, and in such event be exempt from common charges thereafter assessed.

If any condominium unit owner fails or refuses to make any payment of the common charges when due, the amount thereof shall constitute a lien on the interest of such condominium unit owner in the Property, hereinbefore defined and including the
unit, and upon the recording of notice thereof by the Board of Managers shall be a lien upon such owner's interest in the Property prior to all other liens except only (i) tax liens on the unit in favor of any political subdivision, municipal corporation or special benefit district, and (ii) all sums unpaid on a first mortgage of record.

Section 5. Default in Payment of Common Charges. In the event of default by a condominium unit owner in paying to the Association the common charges as determined by the Board of Managers, such unit owner shall be obligated to pay interest at the rate of ten percent (10%) per annum on such common charges from the due date thereof, together with all expenses, including attorneys' fees (of and to the extent allowed by law) incurred by the Board of Managers in any proceeding brought to collect such unpaid common charges. The Board of Managers shall have the right to recover such common charges, together with interest thereon, and such expenses of the proceeding in an action to recover the same brought against such condominium unit owner, and/or by foreclosure of the lien on such unit granted by K.S.A. §58-3123.

Section 6. Foreclosure of Liens for Unpaid Common Charges. In any action brought by the Board of Managers to foreclose a lien on a unit because of unpaid common charges, the
Board of Managers, acting on behalf of all condominium unit owners, shall have power to purchase such unit at the foreclosure sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same. A suit to recover a money judgment for unpaid common charges shall be maintainable without foreclosing or waiving the lien securing the same.

Section 7. Statement of Common Charges. The Board of Managers shall provide any condominium unit owner so requesting the same in writing, with a written statement of all unpaid common charges due from such condominium unit owner. Such statement shall be furnished within ten (10) days after receipt of said request.

Section 8. Abatement and Enjoinment of Violations by Condominium Unit Owners. The violation of any rule or regulation adopted by the Board of Managers, or the breach of any Bylaw contained herein, or the breach of any provision of the Declaration, shall give the Board of Managers the right, in addition to any other rights set forth in these Bylaws: (a) to enter the unit in which, or as to which, such violation or breach exists and to summarily abate and remove, at the expense of the defaulting condominium unit owner, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions hereof, and the Board of Managers shall not thereby be deemed guilty in any manner of trespass;
and/or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach. In the event any action is brought against a condominium unit owner claiming, asserting or enforcing a lien against the unit or common areas and facilities, the condominium unit owner shall give prompt written notice thereof to the Board of Managers.

Section 9. Maintenance and Repair.

A. All maintenance, repairs and replacements to any unit (other than maintenance of and repairs to any common areas and facilities, including limited common areas and facilities, contained therein and as otherwise provided in the Declaration and in this Article V in the event of fire or casualty) shall be made by the owner of such unit. In the event the Board of Managers permits its maintenance employees to perform maintenance work for which the condominium unit owner is obligated, the Board of Managers shall have the right to establish reasonable rates and charges for such maintenance work and the condominium unit owner shall pay for such work and any materials required promptly on demand. Nothing herein shall be deemed to obligate the Board of Managers for such maintenance, repair and replacement, it being recognized that any such arrangement, if provided for, shall be solely as a convenience to the condominium unit owners.

B. All maintenance, repairs and replacements to the
common areas and facilities (including limited common areas and facilities) whether located inside or outside of the units, shall be made by the Association and in accordance with the Declaration (except for air conditioners and heating units in Buildings A, B, C and D as more fully set out therein) and be charged by the Board of Managers to all condominium unit owners based on condominium unit interest as a common expense. All payments for such maintenance, repairs and replacements to the common areas and facilities shall be documented by payment vouchers and approved by the Board of Managers, or by one of its officers designated to act by said Board in approving payment vouchers.

Section 10. Balconies and Patios. Any balconies, porches or patios to which a condominium unit owner has sole access and an exclusive easement as provided in the Declaration shall be for the exclusive use of such condominium unit owner and shall be kept clean and in good order by the owner of the unit.

The balconies of some units are on the same level as the roofs of other units or common areas and facilities appurtenant to such units. No condominium unit owner shall extend such owner's balcony onto any such roof, it being expressly understood that the exclusive easement for the use of such balcony extends only to the boundary thereof as presently constructed.

Section 11. Restrictions on Use of Units. In order
to provide for congenial occupancy of the Property and for the protection of the values of the units, the use of the Property shall be restricted to and shall be in accordance with the following provisions:

(a) Each unit shall be used and occupied solely for residential purposes and for the use of a single family. No unit shall be used for professional or business purposes or as a business or professional office, except occasional business guests shall be permitted. In the event of the death or disability of a condominium unit owner and it is desired by the executor, administrator, guardian or personal representative to dispose of certain household effects and personal property on the premises, such sales and disposition may be permitted by the Board of Managers, in the nature of "estate sales"; however, any such sales shall be by invitation only and shall not be conducted in such a fashion as to be generally advertised or open to the general public.

(b) The common areas and facilities shall be used only for the furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of the units.

(c) No nuisances shall be allowed on the Property nor shall any use or practice be allowed which is a source of annoyance to condominium unit owners or which interferes with the peaceful possession or proper use of the Property by the condominium unit owners or which increases the insurance risk to the Property.

(d) No immoral, improper, offensive or unlawful use shall be made of the Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed.

(e) No portion of a unit (other than the entire unit) may be rented or leased and no transient tenants may be accommodate therein.

Section 12. Additions, Alterations or Improvements by Board of Managers. Whenever in the judgment of the Board of
Managers the common areas and facilities shall require additions, alterations or improvements in any twelve (12) month period costing in excess of $50,000, the making of such additions, alterations or improvements must be approved by the vote of a majority of condominium unit owners as described in Sections 7, 8 and 9 of Article III hereof, and if such approval is obtained the Board of Managers shall proceed with such additions, alterations or improvements and shall assess all condominium unit owners for the cost thereof as a common charge.

Additions, alterations or improvements in any twelve (12) month period costing $50,000 or less may be made by the Board of Managers without the approval of the condominium unit owners being required and all condominium unit owners shall be assessed for the cost thereof as a common charge.

Section 13. Additions, Alterations or Improvements by Condominium Unit Owners. No condominium unit owner shall make any structural addition, alteration or modification in or to his unit, without the prior written consent thereto of the Board of Managers, which consent shall not be unreasonably withheld. The Board of Managers shall have the obligation to answer any written request by a condominium unit owner for approval of a proposed structural addition, alteration or modification of such condominium unit owner's unit, within thirty (30) days after such request and failure to do so within the stipulated time shall constitute a consent by the Board of Managers to the
proposed addition, alteration or modification. Any application to any department of the City of Overland Park or to any other governmental authority for a permit to make such addition, alteration or modification in or to any unit shall be executed by the Board of Managers if required, without, however, incurring any cost or liability on the part of the Board of Managers or any of them to such authority or to any contractor, subcontractor or materialman on account of such addition, alteration or modification. The provisions of this Section 13 shall not apply to units owned by Owner until such units shall have been sold by Owner to other parties.

Section 14. Use of Common Areas and Facilities.

(a) A condominium unit owner shall not place or cause to be placed in the lobbies, vestibules, public halls, stairways, or other common areas or common facilities, other than a balcony, patio or other limited common areas to which such unit has sole access, and other than the areas designated as storage areas, any furniture, packages or objects of any kind. The lobbies, vestibules, public halls and stairways shall be used for no purpose other than for normal transit through them.

(b) Condominium unit owners shall require their tradesmen to utilize the common areas and facilities in the manner designated by the Board of Managers for transporting packages, merchandise or any other objects which otherwise might affect the comfort or well-being of owners, residents and guests.
Section 15. Right of Access. The manager or any other person authorized by the Board of Managers, shall have the right of reasonable access to each unit for the purpose of correcting any condition originating in such unit and/or threatening another unit or the common areas and facilities, and for the purpose of performing installations, alterations or repairs to the mechanical or electrical services of other common areas in such unit or elsewhere in the buildings, provided that requests for entry are made in advance and any such entry is at a time reasonably convenient to the condominium unit owner. In case of an emergency situation, such right of entry shall be immediate, whether the condominium unit owner is present at the time or not.

Section 16. Rules of Conduct. Reasonable rules and regulation concerning the use of the units and the common areas and facilities may be made by the Board of Managers from time to time. Copies of such rules and regulations shall be furnished by the Board of Managers to each condominium unit owner prior to the time when the same shall become effective. Initial rules and regulation, which shall be effective until superseded or amended by the Board of Managers, as above referred to, are annexed hereto and made a part hereof as Bylaws Exhibit B.

Section 17. Water and Gas Charges and Sewer Charges. Water and gas shall be supplied to all of the units and the common areas and facilities through building meters and the
Board of Managers shall pay, as a common expense, all charges for water and gas consumed on the Property, including the units, together with all sewer charges, promptly after the bills for the same shall have been rendered. In the event of a proposed sale of a unit by the owner thereof, the Board of Managers, on request of the selling condominium unit owner, and provided the condominium unit owner is not in default, shall execute and deliver to the purchaser of such unit or to the purchaser's title insurance company, a letter agreeing to pay, subject to the provisions of these Bylaws, all charges for water, gas and sewer charges affecting the Property from and after the date of closing of title to such unit.

Section 18. Electricity. Electricity shall be supplied to each unit and the common areas and facilities through the electrical facilities in the units and common areas and facilities, and each unit shall be assessed monthly for its proportionate part of the electrical service charge attributable to the common areas and facilities made by the public utility company serving the Property.

Each unit's proportionate charge shall be based on its condominium unit interest as designated on Declaration Exhibit C attached to the Declaration. With respect to all units which are separately metered, either as of the date hereof or thereafter, the condominium unit owner shall be responsible to pay the public utility company directly for the electrical charge as
levied by the utility company periodically to the condominium unit owner. In such latter event the electrical service charge furnished to the common areas and facilities shall be assessed by the Association as a common assessment against each condominium unit owner based on condominium unit interest. The Board of Managers shall have the right to separately meter any unit not so metered as of the date hereof.

ARTICLE VI
MORTGAGES

Section 1. Notice to Board of Managers. A condominium unit owner who mortgages his unit, shall notify the Board of Managers of the name and address of his mortgagee and the Board of Managers shall maintain such information in a book entitled "Mortgages of Units".

Section 2. Notice of Unpaid Common Charges and Notice of Loss or Taking. The Board of Managers, whenever so requested in writing by a mortgagee of a unit, shall promptly, in writing, notify the mortgagee of any default in the performance by the individual unit mortgagor of any obligation under the condominium agreements which is not cured within sixty (60) days of such default, and any then unpaid common charges due from the owner of the mortgaged unit. If requested by any mortgagee or assignee thereof, the Board of Managers will give notice in writing to such mortgagee of any loss to, or taking of the common areas and facilities if such loss or taking exceeds $10,000.
Section 3. Notice of Default. The Board of Managers, when giving notice to a condominium unit owner of a default in payment of common charges, or other default, shall send a copy of such notice to the holder of a mortgage covering such unit whose name and address have theretofore been furnished to the Board of Managers.

Section 4. Examination of Books. Each condominium unit owner and each mortgagee of a unit shall be permitted to examine the books and records of the Association at reasonable times on business days, but not more often than once a month.

Section 5. Rights of Mortgagees. Notwithstanding any other provision of these Bylaws or the Declaration, no amendment or violation of these Bylaws or the Declaration shall operate to defeat or render invalid the rights of the mortgagee under any mortgage upon a condominium unit made in good faith and for value, provided that after the foreclosure of any such mortgage such condominium shall remain subject to these Bylaws and the Declaration, as amended. Notwithstanding any and all provisions of these Bylaws and the Declaration to the contrary, in order to induce the Federal Home Loan Mortgage Corporation ("FHLMC"), the Government National Mortgage Association ("GNMA") and the Federal National Mortgage Association ("FNMA") to participate in the financing of the sale of condominiums within the Property, the following provisions are added hereto (and to the extent these added provisions, pertaining to the rights
of Mortgagees, FHLMC, FNMA, GNMA, VA and FHA, conflict with any
other provisions of these Bylaws and the Declaration, these
added restrictions shall control):

(a) Unless at least eighty percent (80%) of
the first mortgagees (based upon one vote for each
mortgage owned) or eighty percent (80%) of the
condominium unit owners have given their written
approval, neither the Association nor the condominium
unit owners shall:

(1) by act or omission seek to aban-
don or terminate the condominium project;

(2) change the pro rata interest
or obligations of any condominium unit for
the purpose of (i) levying assessments or
charges or allocating distributions of haz-
ard insurance proceeds or condemnation
awards, or (ii) determining the pro rata
share of ownership of each condominium unit
in the common areas and facilities;

(3) partition or subdivide any con-
dominium unit;

(4) by act or omission seek to aban-
don, partition, subdivide, encumber, sell or
transfer the common areas and facilities
(the granting of easements for public utili-
ties or for other public purposes consistent
with the intended use of the common area and
facilities shall not be deemed a transfer
within the meaning of this clause);

(5) use hazard insurance proceeds for
losses to any condominium property (whether
to units or to common areas and facilities)
for other than the repair, replacement or
reconstruction of such condominium property,
except as provided by K.S.A. §58-3126 in case
of substantial loss to the units and/or common
area and facilities of the condominium project.

(b) In addition to the foregoing, the Board of
Managers may enter into such contracts or agreements
on behalf of the Association as are required in order
to satisfy the guidelines of the VA, the FHA, the FHLMC, the FNMA or the GNMA or any similar entity, so as to allow for the purchase, guaranty or insurance, as the case may be, by such entities of first mortgages encumbering condominiums. Each unit owner hereby agrees that it will benefit the Association, as a class of potential mortgage borrowers and potential sellers of their residential condominiums, if such agencies approve the Property as a qualifying subdivision under their respective policies, rules and regulations, as adopted from time to time.

Mortgagees are hereby authorized to furnish information to the Board of Managers concerning the status of any mortgage encumbering a condominium.

ARTICLE VII
CONDEMNATION

Section 1. Condemnation. In the event of condemnation or the exercise of the power of eminent domain whereby the federal government, the state, a political subdivision, or any other corporation, agency or authority having the power of condemnation or eminent domain seeks to acquire any of the common areas or facilities of the Property, the provisions of paragraph 18 of the Declaration shall govern with respect to the taking of the common areas or facilities. In the event that all or any part of the units are taken by condemnation or the exercise of the power of eminent domain, as above described, the condominium unit owners shall be free to assert their respective claims against the condemning authority, including any claims for severance damage and have the proceeds which are properly allocable to the respective unit taken or condemned. In any such condemnation proceeding, where units are taken, the respective condominium unit owner of the unit taken shall have the
right to assert against the condemning authority its claim for its loss or its common unit interest in the common areas and facilities. In the event that a taking involves only part of the common areas and facilities and in the judgment of the Board of Managers the remainder of the Property will not be substantially damaged or rendered unsuitable for continued use, the Board of Managers shall have the right to the funds applicable to the part of the common areas and facilities for the repair and restoration of the remainder of the Property, and any excess of such award shall be credited to the condominium unit owners in accordance with their respective condominium unit interests in the common areas and facilities. Nothing contained in this Article shall be construed as giving any condominium unit owner priority over any rights of mortgagees in case of distribution of a condemnation award to any condominium unit owner.

ARTICLE VIII

RECORDS

Section 1. Records and Audits. The Board of Managers shall keep or cause to be kept detailed records of the actions of the Board of Managers, minutes of the meetings of the Board of Managers, records and books of account of the Association, including a chronological listing of receipts and expenditures as well as a separate account for each unit which, among other matters, shall contain the amount of each assessment of common charges against such unit, the date when due, the amounts
paid thereon, and the balance remaining unpaid. A written re-
port summarizing all receipts and expenditures of the Associa-
tion shall be given by the Board of Managers to all condominium 
unit owners at least semi-annually. In addition, an annual 
report of the assets and liabilities, including receipts and 
expenditures of the Association, certified by an independent 
certified public accountant, shall be delivered by the Board 
of Managers to all condominium unit owners, and to all mort-
gagees of units who have requested the same, within sixty (60) 
days after the end of each calendar year.

Section 2. Statement of Account. Upon ten (10) days 
notice to the Board of Managers or manager and payment of a 
reasonable fee, any condominium unit owner shall be furnished a 
statement of his account setting forth the amount of any unpaid 
assessments or other charges due and owing from such owner.

ARTICLE IX
DEFAULT

Section 1. Failure on the part of a condominium unit 
owner to comply with any of the terms of the Declaration, these 
Bylaws, or the Rules and Regulations of the Association, shall 
constitute an event of default and shall be grounds for relief 
which may include, without limitation, an action by the Associa-
tion to recover damages and for injunctive relief, or any 
combination thereof or any other appropriate relief.

Section 2. In any proceeding arising because of an
alleged default by any condominium unit owner, the Association, if successful, shall be entitled to recover the costs of the proceeding and reasonable attorney's fees (to the extent allowed by law) from such condominium unit owner.

Section 3. The failure of the Association or of any condominium unit owner to enforce any right, provision, covenant or condition which may be granted by the Declaration, these Bylaws or the Rules and Regulations of the Association shall not constitute a waiver of the right of the Association or of any such unit owner to enforce such right, provision covenant or condition in the future.

Section 4. All rights, remedies and privileges granted to the Association or any condominium unit owner or owners pursuant to any terms, provisions, covenants or conditions of the Declaration, these Bylaws or the Rules and Regulations of the Association, shall be deemed to be cumulative and the exercise of any one or more of them shall not be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising such other additional rights, remedies or privileges as may be available to such party at law or in equity.

ARTICLE X

STORAGE AND PARKING

Section 1. Some of the buildings have storage lockers in the basements thereof. The storage lockers shall be assigned
to the respective condominium unit owners by the Board of Managers. It is the intent that each unit shall be entitled to at least one storage locker without a rental charge. It is recognized that these lockers are presently assigned to various occupants of the units and in the event such occupant purchases the unit presently occupied by it, the storage locker shall continue to be for the use of such occupant. Any occupant presently leasing a unit shall likewise have the right to the continued use of the present storage locker used by it so long as its lease of the unit continues. Upon termination or such lease, the storage locker may be reassigned by the Board of Managers to a condominium unit owner or tenant by the Board of Managers. Should a condominium unit owner desire the assignment to it of a different storage locker, any such relocation and assignment shall be solely within the judgment of the Board of Managers. Each party using a storage locker shall be responsible to keep it in a clean and orderly condition. The general laundry room shall contain coin operated washers and dryers or similar equipment, and shall be under the control of the Board of Managers.

Section 2. Parking Spaces. Except for those condominium units with attached garages, it is the intention that each other condominium unit owner shall be entitled to at least one automobile parking space in the various parking facilities constituting a part of the common areas and facilities. This
right shall not be construed as a lease and no rental shall be charged for such space or spaces. However, with respect to leases effective before the date of recording of these Bylaws, the Board of Managers shall have the right to fix monthly rental rates and charges for the right to park. Tenants with such leases shall have the right to the continued rental and use of the particular parking space or spaces presently utilized and rented by such tenant, but the right to the use of such space or spaces shall terminate upon the termination of its lease. The Board of Managers shall manage and control all parking facilities and the rentals charged for the parking shall be paid to and collected by the Board of Managers and be the property of the Association.

Section 3. Storage and Parking at Own Risk. Each party utilizing a storage locker, laundry room or parking space shall do so at his own risk and shall assume all responsibility for loss or damage, and the like, with respect to all of his properties in or located in the storage lockers, laundry room or parking space, and each party utilizing such facilities shall do so upon the understanding and agreement, and by acceptance of the use of such facilities shall be deemed to have consented and agreed that neither the Board of Managers, the officers, the Association nor any other condominium unit owner in their capacity as such, shall be responsible for or liable to such owner for loss or damage to his property by fire, casualty,
water damage, leakage, explosion, burglary, theft or from any other cause. This shall not preclude the liability of any such person in his individual capacity in the event his intentional, willful or wanton or negligent conduct damages such owner.

Section 4. Outdoor Drives. The driveways on the Property affording ingress and egress to the buildings and the parking facilities shall be utilized subject to the Rules and Regulations of the Board of Managers from time to time; however, each condominium unit owner shall be deemed to consent and agree that any parking on such driveways shall be solely for the use of the condominium unit owners and their guests and that any employees, agents or servants shall park their automobiles off the Property or in areas, if any, designated for such purpose by the Board of Managers.
